

KOROZO

FOOD SAFETY POLICY

We, as KOROZO A.S., declare that we shall maintain our deserved success we obtained by solidifying our concept of “KOROZO IS QUALITY” with the knowledge and experience accumulated in years by,

- Complying with the related national and international laws and regulations during the process from raw material procurement
- To final product,

and we shall manufacture food packages with taking the concept of

“PRODUCTION IN COMPLIANCE WITH HUMAN HEALTH”

**“PROVIDING THE HIGHEST LEVEL OF CUSTOMER SATISFACTION,
CONSTANTLY DEVELOPE BY OBSERVING THE NEWEST TECHNOLOGY CLOSELY”**

as our primary target, and share this responsibility with our sub-industries by making it our business principle.
